### Documentation of Client Income

The Mission of the King's Garage is to provide basic car care to economically challenged single mothers, senior citizens, disabled veterans and two parent families. In order to ensure that resources are used to help the most vulnerable within our community, the King's Garage requires that applicants provide documentation of all income (including alimony and child support). At a minimum, documentation includes a current pay stub, Social Security or SSI income statements, TANF Statement, disability check stub, three months of bank statements, most current year Federal Income Tax return. If you have any questions about eligibility for our services, please email [bjmathis@gracesummitchurch.org](mailto:bjmathis@gracesummitchurch.org).
